** The Committee acknowledged receipt of the quadrennial report of the non-governmental organization Relief International, which was submitted after the 1 May 2014 deadline, with a view to considering it at its regular session in January 2015 in order to recommend to the Council reinstatement of the organization's consultative status. The status of the organization was suspended by the Council in July 2013 for one year, owing to non-submission of its overdue report for the 2008-2011 reporting period.
